

Attachment E: Overall Park Plan

Inclined Plane Riverside Park Plan, 8/10/22

Components of Inclined Plane Riverside Park are:

1. North Side: 1a. Paved walkway of PennDOT. 1b. improving existing road/trail from Washington Street and addressing AML issues (open mine shaft and abandoned high walls). 1c. New ADA trail past mine discharge.
2. The "Sliver" ADA ramp from PennDOT bridge, trail to the river, fishing and boat access.
3. Outdoor-adventure park possibly with zip line, canopy walk, etc.
4. South Side: 4a. 9/11 Trail Loop from Incline and AML work. 4b. Parking lot and access to Mill Creek Rd.; 4c. Primitive trail to existing trails; 4d. Consider buying other

lots on Coconut Place for better access, aesthetics.

5. Mountain-bike trails: new and expanding trails, some on CVC land acquired.

6. Expanded north-side plans: 6a. short

trail and interpretive overlook of the historic Stone Bridge, which requires land acquisitions. 6b. Trail to Heritage Discovery Center; 6c. Restore parking lot shown on old maps and improve old dirt road to lot from Route 56.
